

2016 Annual Review

Highlights of the Year

- We are still here!
- First post abortion group run
- 2 new listeners trained in crisis pregnancy and pregnancy loss
- Working in partnership with other centres leading to possible expansion into prison work and parenting training

We could not exist without the generosity of the people and organisations who support us financially. A big THANK YOU to everyone who donated, gives regularly, swam, ran, sponsored, or came to an event. Your money ensures that we can help those in need of crisis pregnancy or pregnancy loss support, and teach young people about healthy relationships. There are too many individuals to mention here but you know who you are. Thank you to the following organisations for grants: Captain Ramsden Trust, Hampton Fuel Allotment Charity, Richmond Parish Lands Charity, St Stephen's Church, True and Fair Foundation.

Client Feedback

*"Extremely helpful. I had tried 3 different counsellors and xxxx was by far the best. I was in a very bad place and really needed these sessions. They helped me get through."
(Miscarriage client)*

*I really needed to talk to someone and ask for help and I found it. The session was really helpful and I'm sure about what to do. I'm very glad no one is judging me...means a lot in such a difficult moment."
(Crisis client)*

*"The programme helped me to process grief. It helped me understand that there were stages I had to go through before I felt any better. I think the sessions helped me realise that life would improve with time and I was on a road to recovery."
(Stillbirth client)*

*"The Journey has helped me enormously. I can't thank my listener and Crossways enough for having given me all the support and care through the most difficult and challenging time of my life. I came to Crossways as someone who had lost all reasons to live and carry on in life and left after having found my relationship with God restored and I am a more positive and cheerful person now."
